## **Emergency Services Sector**

20. *September 23, KABC 7 Los Angeles* – (California) **Inmate escapes from Sylmar prison camp.** Authorities are searching for an inmate who escaped from Holton Conservation Camp in Los Angeles September 22, where he was serving as an inmate firefighter.  
Source: <http://abc7.com/news/inmate-escapes-from-sylmar-prison-camp/998448/>

For additional stories, see items [9](#) and [23](#)

## **Information Technology Sector**

21. *September 24, IDG News Service* – (International) **Ransomware pushers up their game against small businesses.** TrendMicro researchers released analysis revealing that 67 percent of users who clicked on links in CryptoWall and 40 percent who clicked links in TorrentLocker ransomware-related emails were from small and medium businesses in June and July, attributing the percentage to social engineering and a lack of safeguards compared to larger organizations.  
Source: [http://www.networkworld.com/article/2985823/ransomware-pushers-up-their-game-against-small-businesses.html#tk.rss\\_all](http://www.networkworld.com/article/2985823/ransomware-pushers-up-their-game-against-small-businesses.html#tk.rss_all)
22. *September 23, Softpedia* – (International) **Security researcher exposes potentially dangerous privacy flaw in iOS-iTunes connections.** A security researcher discovered a privacy-related flaw in iOS and iTunes in which an attacker with physical access to a device could create a backup and potentially access sensitive information simply by accepting the device as “Trusted” in iTunes.  
Source: <http://news.softpedia.com/news/security-researcher-exposes-potentially-dangerous-privacy-flaw-in-ios-itunes-connections-492580.shtml>

### **Internet Alert Dashboard**

To report cyber infrastructure incidents or to request information, please contact US-CERT at [soc@us-cert.gov](mailto:soc@us-cert.gov) or visit their Web site: <http://www.us-cert.gov>

Information on IT information sharing and analysis can be found at the IT ISAC (Information Sharing and Analysis Center) Web site: <http://www.it-isac.org>

## Communications Sector

23. *September 24, WNCT 10 Greenville* – (North Carolina) **Repair complete, widespread outage continues for CenturyLink landlines on Ocracoke Island.** CenturyLink reported that 1,093 customers in the Ocracoke Island experienced a network outage affecting landlines September 23 due to failed equipment at the New Bern Central Office. Crews are working on repairs and 9-1-1 service was reportedly affected. Source: <http://wnct.com/2015/09/23/widespread-outage-on-ocracoke-island-for-centurylink-landlines/>
24. *September 23, KYUK 640 AM Bethel* – (Alaska) **Thousands face Internet and phone outage in Western Alaska.** A GCI technician reported that customers in Nome, Kotzebue, and Bethel experienced Internet and phone outages September 23 following an error due to a damaged microwave radio. Crews repaired the damage and service was restored. Source: <http://kyuk.org/thousands-facing-internet-and-phone-outage-in-western-alaska/>

## Commercial Facilities Sector

25. *September 24, KFOR 4 Oklahoma City* – (Oklahoma) **Fire at Oklahoma City apartment complex forces residents to jump from second story.** A 3-alarm fire at the Brookwood Village apartment complex in Oklahoma City September 23 displaced about 12 families from 16 damaged apartment units, leaving about \$500,000 in total loss to the building. Two people were injured and officials are investigating the cause of the fire. Source: <http://kfor.com/2015/09/24/fire-at-oklahoma-city-apartment-complex-forces-residents-to-jump-from-second-story/>
26. *September 23, KABC 7 Los Angeles* – (California) **Massive fire destroys 8 businesses at Monterey Park strip mall.** A Monterey Park strip mall in California sustained extensive damage September 23 after a 4-alarm fire destroyed 8 businesses and damaged 3 others, and prompted the closure of surrounding roads while nearly 50 firefighters remained on site for several hours putting out the blaze. Officials are evaluating the total amount of damage and believe that the fire began inside a toy store. Source: <http://abc7.com/news/fire-destroys-8-businesses-at-monterey-park-strip-mall/998168/>
27. *September 23, Long Island Newsday* – (New York) **Home Depot cashiers charged with making fraudulent credit card transactions, police say.** New York officials reported that two cashiers at the Hempstead Home Depot were arrested and charged September 22 with third-degree grand larceny after an investigation revealed that the employees allegedly conducted more than \$200,000 worth of fraudulent credit card transactions by purchasing Home Depot and Visa gift cards from June – August using stolen information. Source: <http://www.newsday.com/long-island/nassau/frederick-harris-jr-steve-kerr-charged-with-making-fraudulent-credit-card-transactions-cops-say-1.10880997?qr=1>

## Dams Sector

28. *September 23, Sacramento Bee* – (California) **Sudden loss of water in Lassen County reservoir.** Pacific Gas & Electric Co., officials reported that the cause of the Mountain Meadows Reservoir in Westwood's sudden loss of water during the week of September 14 was due to four years of drought.
